“Nationwide Fire Safety Training – Building Skilled Firefighters for a Safer India”

ABOUT THE INSTITUTE

Introduction

The SMG Fire & Safety Institute, established under the aegis of SMG Fire Safety Council, is a Section 8, Non-Profit Company registered under the Companies Act, 2013, Government of India. The Institute is committed to imparting scientific, practical and skill-oriented training in the field of Fire & Industrial Safety across India.

With a mission to create a skilled, disciplined and safety-conscious workforce, SMG Fire & Safety Institute has emerged as a recognized training partner for Fire Services, Disaster Management and Industrial Safety Sectors.

Legal & Institutional Recognition

- Registered as Section 8, Non-Profit Company (under Ministry of Corporate Affairs, Govt. of India)
- ISO 9001:2015 Certified Institution ensuring quality education & training standards
- Corporate Member – Fire & Safety Skill Development Councils
- Affiliated Training Partner – All India Fire Service Training Institute (AIFSTI), Vadodara
- Registered with NGO DARPAN Portal (NITI Aayog, Govt. of India) – Reg. No: RJ/2025/0582072
- Certified to conduct Training, Workshops, On-Job Fire Safety Programs & Diploma Courses

Vision & Mission of SMG Fire & Safety Institute

Vision

“To establish India’s most trusted and nationwide Fire & Safety Training Network, delivering world-class, government-recognized education, empowering youth with discipline, employability and leadership skills, while contributing towards a Safe India – Disaster Ready India.”

Mission

- **Standardized Training :**
Delivering structured, scientific and government-approved training modules in Fire Safety, Industrial Safety, Disaster Management & First Aid.
- **Skill Development for Employment :**
Aligning all courses with National Skill Development & Safety Standards, ensuring students gain job-ready qualifications for both government & private sector.
- **Nationwide Reach :**
Establishing authorized franchise training centers across all states of India, ensuring uniformity in syllabus, exams and certification.
- **Industry Partnership :**
Collaborating with PSUs, Private Industries, Airports, Ports, Oil & Gas, Power Plants for specialized training & manpower deployment.

- Youth Empowerment :

Creating opportunities for 10th, 12th & Graduate students, enabling them to enter the field of Fire Services, Defence, Navy, ONGC, Railways, Airports & International Safety Jobs.

- Public Awareness & Safety Culture :

Conducting fire safety drills, awareness programs and community workshops, promoting a culture of safety & preparedness in society.

- Global Standards :

Expanding training programs to meet international benchmarks, opening career pathways for students in UAE, Gulf, Europe & other overseas markets.

Chairman's Message

Dear Students, Partners and Stakeholders,

It gives me immense pride and responsibility to present SMG Fire & Safety Institute, an initiative of the SMG Fire Safety Council (Section 8, Non-Profit Organization).

Our institute has been founded with a clear mission – to contribute towards building a Safe and Secure India through professional fire safety training, disaster management education, and industry-relevant skill development.

Over the past years, the demand for trained fire & safety professionals has significantly increased, both within India and across international markets such as the Middle East, Europe, and Asia-Pacific. To meet this demand, our institute ensures that every student receives world-class training, certified as per ISO 9001:2015 standards, affiliated with national safety bodies, and recognized by reputed industry organizations.

We believe that fire safety is not just a profession, but a national service. Our trainees are not only job-seekers but also life-savers. Every student trained under SMG Fire & Safety Institute is prepared to serve in Government Fire Services, Defence Establishments, Airports, Oil & Gas Industries, Railways, Power Plants, High-rise Buildings, and International Safety Missions.

Through our franchise expansion program, we aim to reach every state of India, making high-quality fire safety education accessible to the youth, while ensuring uniform syllabus, centralized examinations, and nationally recognized certification.

I invite aspiring students, dedicated trainers, and visionary entrepreneurs to join us in this national movement of fire safety awareness, skill development, and youth empowerment. Together, we can build a safer, stronger and disaster-ready India.

With warm regards,
(Sandeep Goswami)

Chairman, SMG Fire & Safety Institute
Corporate Office: Sikar, Rajasthan – India

Courses Offered

SMG Fire & Safety Institute provides nationally recognized & internationally aligned professional programs in Fire & Safety. All courses are designed as per SMG Fire Safety Council (Section 8, Non-Profit Organization), ISO 9001:2015 standards, and affiliated with All India Fire Service Training Institute (AIFSTI), Vadodara.

Our curriculum is structured to ensure job-oriented training, practical exposure, and certification acceptable across India and abroad.

1. BASIC FIRE FIGHTING COURSE

- **Duration** : 6 Months
- **Eligibility** : 10th Pass
- **Key Features** : Fire extinguisher use, hose drill, rescue ops, first aid, safety awareness.
- **Career Options** : Helper Fireman, Industrial Fire Watcher, Security & Safety staff.

2. DIPLOMA IN FIRE & SAFETY MANAGEMENT

- **Duration** : 1 Year
- **Eligibility** : 10+2 / ITI / Graduate
- **Key Features** : Fire prevention, safety audit, disaster mgmt, rescue drills.
- **Career Options** : Safety Officer, Fire Supervisor, Industries, Oil & Gas plants.

3. DRIVER CUM PUMP OPERATOR

- **Duration** : 1 Year
- **Eligibility** : 10th Pass + LMV/HMV License
- **Key Features** : Fire tender driving, pump operation, hydraulics, rescue ops.
- **Career Options** : Govt. Fire Service Driver, Industry Fire Tender Operator.

4 ARFF

(Aircraft Rescue & Fire Fighting) COURSE

- **Duration** : 1 Year
- **Eligibility** : 12th Pass + Physical Fitness
- **Key Features** : Airport firefighting, aircraft crash rescue, foam application.
- **Career Options** : ARFF Fireman, Airport Authority Fire Services, Aviation sector.

5. SUB FIRE OFFICER COURSE

- **Duration** : 1 Year
- **Eligibility** : 12th Pass / Graduate
- **Key Features** : Leadership training, advanced fire drills, fire station mgmt.
- **Career Options** : Sub Fire Officer in Govt./PSU/Defence Fire Services.

6. FIRE OFFICER COURSE

- **Duration** : 1 Year
- **Eligibility** : Graduate (Science/Technical Preferred)
- **Key Features** : Fire strategy, command & control, legislation, disaster management.
- **Career Options** : Fire Officer, Safety Officer, Disaster Response Officer.

7. DIPLOMA IN INDUSTRIAL SAFETY

- **Duration** : 1 Year
- **Eligibility** : 12th / ITI / Diploma / B.Tech.
- **Key Features** : Industrial hazard mgmt, occupational health, safety audits.
- **Career Options** : Safety Supervisor, Industrial Safety Inspector.

8. DIPLOMA IN CONSTRUCTION SAFETY

- **Duration** : 1 Year
- **Eligibility** : 12th / Diploma / Civil background preferred
- **Key Features** : Building site safety, scaffolding, accident prevention.
- **Career Options** : Construction Safety Officer, Site Safety Supervisor.

9. DIPLOMA IN ENVIRONMENT SAFETY

- **Duration** : 1 Year
- **Eligibility** : 12th / Graduate
- **Key Features** : Pollution control, waste mgmt, green safety laws.
- **Career Options** : Environmental Safety Officer, Pollution Control Boards.

10. ADVANCED DIPLOMA IN OSHEM (Occupational Safety, Health & Environmental Management)

- **Duration** : 1 Year
- **Eligibility** : Graduate / Diploma holders
- **Key Features** : Workplace safety, health legislation, international standards.
- **Career Options** : HSE Officer, EHS Manager, International Safety Jobs.

11. ADVANCED DIPLOMA IN OIL & GAS MANAGEMENT

- **Duration** : 1 Year
- **Eligibility** : Graduate / Diploma (Engg. preferred)
- **Key Features** : Oil refinery safety, petrochemical fire safety, risk mgmt.
- **Career Options** : Safety Officer in Oil & Gas sector, Offshore Fire Safety.

12. ADVANCED DIPLOMA IN INDUSTRIAL SAFETY

- **Duration** : 1 Year
- **Eligibility** : Diploma / Graduate (Engg. preferred)
- **Key Features** : Advanced risk analysis, process safety mgmt, audits.
- **Career Options** : Senior Safety Engineer, Industrial HSE Manager.

13. SANITARY INSPECTOR COURSE

- **Duration** : 1 Year
- **Eligibility** : 12th Pass (Science preferred)
- **Key Features** : Public health, sanitation laws, hygiene & waste mgmt.
- **Career Options** : Sanitary Inspector in Municipal Bodies, Govt. Health Dept.

14. B.SC. IN FIRE & SAFETY MANAGEMENT

- **Duration** : 3 Years (Semester System)
- **Eligibility** : 12th Pass (Science Preferred)
- **Key Features** : Fire engineering, safety mgmt, disaster planning, projects.
- **Career Options** : Fire & Safety Officer, Safety Engineer, Disaster Consultant.

15. NEBOSH (UK Certification)

- **Duration** : 3-6 Months
- **Eligibility** : Graduate / Diploma holders
- **Key Features** : International safety laws, risk assessment, workplace safety.
- **Career Options** : Global HSE Officer, International Oil & Gas Safety.

16. IOSH (UK Certification)

- **Duration** : 3 Months
- **Eligibility** : Diploma / Graduate
- **Key Features** : Managing safety at workplace, HSE compliance.
- **Career Options** : Safety Officer (International), Compliance Manager.

17. OSHA (Occupational Safety & Health Administration – USA)

- **Duration** : 3-6 Months
- **Eligibility** : Graduate / Diploma holders
- **Key Features** : US-based safety training, construction & industry compliance.
- **Career Options** : International Safety Officer, USA/Gulf recognized HSE jobs.

Common Benefits Across All Courses

- ✓ ISO 9001:2015 Certified & Council Approved
- ✓ National & International Recognition (NEBOSH, IOSH, OSHA)
- ✓ Practical Training + Industrial Visits
- ✓ Placement Assistance with Industry Links
- ✓ Career Opportunities in Govt. & Private Sectors

Strengths & Achievements

SMG Fire & Safety Institute has emerged as one of the most trusted names in fire and safety education across India. Our credibility and achievements are built upon years of dedication, discipline, and excellence in training.

Key Strengths :

- Legally Registered & Recognized
- Established under SMG Fire Safety Council (Section 8, Non-Profit Organization).
- ISO 9001:2015 Certified for Quality Management Systems.
- Recognized as a reputed training partner in Fire & Safety education.

Affiliation & Collaboration

- Academic collaboration with All India Fire & Safety Training Institute (AIFSTI), Vadodara.
- Students receive nationally recognized certifications.
- Comprehensive Training Facilities
- State-of-the-art Fire Practical Ground with ladders, extinguishers, hoses, and mock drill setup.
- Rescue & Safety Labs equipped with ropes, harnesses, BA Sets, stretchers, etc.
- Digital Classrooms & Library with updated study materials and smart learning aids.
- Hostel & Mess facilities for outstation students.
- Expert Faculty & Trainers
- Highly qualified instructors with backgrounds in State Fire Services, Navy, Defense & Industrial Safety.
- Focus on Theory + Practical + Physical Training for overall development.
- Placement-Oriented Training
- Placement assistance provided for both Government & Private sectors.
- Alumni successfully serving in State Fire Departments, Airports, Navy, Railways, Oil & Gas, and Industrial Sectors.
- Career opportunities guidance for Middle East & Gulf Countries where demand is high.
- Student-Focused Learning
- Over 200+ students trained every year.
- Regular mock drills, physical fitness sessions, and interview preparation.
- Job alerts and recruitment support through placement cell.

Key Achievements :

- ✓ Trained 1000+ successful fire professionals since inception.
- ✓ Alumni serving across India's Fire & Safety Departments, Industries, and Airports.
- ✓ Successfully running multiple skill development programs under national and state-level initiatives.
- ✓ Recognized as a trusted institute for discipline, affordability, and employability.

Training Infrastructure

SMG Fire & Safety Institute is equipped with modern infrastructure and training facilities designed to meet the highest standards of Fire & Safety education. Our aim is to provide students with realistic, practical, and hands-on exposure to fire and emergency situations.

1. Fire Practical Ground

- Spacious open ground for fire drills, mock rescue operations, and firefighting demonstrations.
- Equipped with live fire simulation units, hydrants, extinguishers, fire hoses, and ladders.
- Regularly used for physical training, rope climbing, long jump, and equipment handling.

2. Fire & Safety Training Laboratory

- Modern Rescue Equipment: Breathing Apparatus (BA Sets), smoke chambers, stretchers, helmets, and harnesses.
- Hydraulic & Electric Pumps for driver-cum-pump operator training.
- Mock setups for confined space entry, smoke handling, and chemical safety drills.

3. Classrooms & Digital Learning Facilities

- Airy and well-furnished classrooms with projectors and smart learning aids.
- Dedicated audio-visual training hall for video demonstrations of international fire cases.
- Library stocked with reference books, codes, safety manuals, and journals.

4. Computer & E-Learning Section

- Latest computer systems with simulation software for fire and industrial safety training.
- Access to online learning modules via SMG Fire Safety App.
- Support for NEBOSH, IOSH, OSHA international courses.

5. Hostel & Mess Facility

- Comfortable boys' hostel with 24x7 security and study environment.
- Hygienic mess facility with nutritious diet plans designed for students in physical training.
- Recreation and sports area for overall personality development.

6. Transport & Fire Vehicle Training

- Fire Tender & Mini Fire Vehicle available for training on pump operations and water relay systems.
- Students get practical exposure to driver cum pump operator duties.

7. Safety & First Aid Room

- Dedicated first aid and health check-up room with basic medical support.
- Regular health & fitness monitoring of students to ensure physical readiness.

Placement & Career Opportunities

SMG Fire & Safety Institute has a dedicated Training & Placement Cell that works continuously to create opportunities for students in Government, Semi-Government, and Private Sectors. Our strong industry linkages and collaborations ensure that every successful candidate is guided towards a rewarding and stable career.

Career Opportunities in Government Sector

- Indian Navy, Army & Air Force – Fireman, Fire Driver, Sub Fire Officer & Safety Crew positions.
- State Fire Services (Rajasthan, Delhi, Maharashtra, Gujarat, etc.) – Fireman, Leading Fireman, Driver & Officer posts.
- Central Government Agencies – CISF, DRDO, ISRO, ONGC, Airport Authority of India.
- Municipal Corporations & Development Authorities – Fire & Rescue staff recruitment.

Career Opportunities in Private Sector

- Airports & Aviation Sector – ARFF Fireman, Safety Inspector, Emergency Crew.
- Oil & Gas Companies – ONGC, Reliance, IOCL, BPCL, HPCL.
- Thermal & Nuclear Power Plants – Fire & Safety Officer roles.
- Construction & Industrial Units – HSE Officer, Safety Supervisor, Safety Inspector.
- MNCs & Corporate Houses – Industrial Fire Safety Professionals.

Overseas Employment Opportunities

With specialized certifications like NEBOSH, IOSH, OSHA, students can explore international careers in :

- Gulf Countries (UAE, Qatar, Saudi Arabia, Oman, Kuwait).
- Africa & Europe (Oil & Gas, Power & Industrial Safety sectors).
- Aviation & Shipping Industry worldwide.

Placement Assistance by SMG

- Regular Job Notifications via SMG Fire Safety App.
- Mock Interviews & Personality Development Sessions for grooming.
- Tie-ups with Fire Safety Firms & Industries for direct placement.
- Alumni network spread across India & Abroad, supporting new candidates.

Track Record (Highlights)

- Over 200+ students placed annually in various Fire & Safety roles.
- Students working in Airport Fire Services, Oil Refineries, Power Plants & State Fire Departments.
- Alumni network successfully serving in India, Middle East & Europe.
